Yard sign, 18 x 24 in: template

This page is 18.5 x 24.5 in: the 18 x 24 in print size plus 0.25 in of bleed on every side.

Red line: where it is cut. Run your background past it to the outer edge.

Blue dashed line: the safe area. Keep words, logos and your QR code inside it.

Your HelmQR code: at least 10 in wide (the squares, not the margin around them), like the dashed square.

Photos: at least 150 dpi at this size, for example 2775 x 3675 pixels for the whole page.

Cover or delete these guides before you export: anything left on the page is printed. Then upload it as a PDF or a PNG.
